Comments (please use additional sheet if required):

Brentwood is too congested already. Priest Lane is a nightmare in the morning when the children go to school and come home.

Honey Pot Lane is also a cut through and so congested.

There are not enough facilities - schools, doctors surgeries etc to support even more people.

Surely any 'green' area should be protected.

The slightest incident on the A25 or A12 and Brentwood is gridlocked,

so if you put more houses in = more traffic.

Brentwood High Street is dying unless you do something to support business that already exist it will get worse.

All this infilling is a blight on people's lives, people have to live with the constant disruption from builders etc.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to [planning.policy@brentwood.gov.uk](mailto:planning.policy@brentwood.gov.uk)
