Broadly I support the development of these sites for employment. They are situated close to the M25 as a major transport link and their use especially for enterprises which use large amounts of HGV traffic would be welcomed as that would reduce HGV traffic through residential areas like the village of West Horndon.

There are potential issues about access to these sites for staff working there, there is at present no public transport access. This detail will need to be dealt with at the full planning application stage.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to planning.policy@brentwood.gov.uk
