I note from the site allocation for BISHOPS HALL ROAD fields adjacent, there is an issue regarding land drainage.

This problem was highlighted many years ago when the land was agricultural, by the Council as planners and developers in the 1970's when the current Vikingway was built.

Surely the costs involved in correcting this problem make it unsuitable for development. Access into Dodinghurst and Ongar rd also pose traffic congestion issues.

On these points I am objecting to this site allocation.
