All personal information that you provide will be used solely for the purpose of the Local Plan consultation. Guidance Note on Legal Compliance

The Inspectors have assessed whether the Plan meets the legal requirements under section 20(5) of the Planning and Compulsory Purchase Act 2004 (as amended (PCPA), which includes whether the Local Planning Authority has complied with the Duty to Cooperate (section 33 of the PCPA) when preparing the Plan, before moving on to test the Plan for soundness.

In relation to this consultation, comments regarding legal compliance should only be submitted where they relate to the potential Main Modifications.

Guidance Note on Soundness

Local Plans are required to be assessed against the tests of soundness. If you are objecting to a potential Main Modification, Question 3 of the representation form asks you to identify which of the below tests of soundness you consider the modification fails to address (soundness is explained in National Planning Policy Framework (NPPF 2021) paragraph 35).

Positively prepared - The Plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development.

Justified - The Plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence.

Effective - The Plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities.

Consistent with national policy - The Plan should enable the delivery of sustainable development in accordance with the policies in the NPPF.

The preparation of the Local Plan has had regard to all policies in the NPPF. However, insofar as your comments relate to the Main Modifications, you may take the view that the Local Plan:

a) Fails to address a requirement of the NPPF; in this case you should explain what else it needs to include. Please note that the Local Plan does not need to repeat national policies; or

b) Departs from national planning policies without good local reasons. In this case, please explain why.

Please keep in mind the information provided above to assist with correctly completing your comment form.

Section B: Your Representation

Please complete a separate sheet for each representation that you wish to make. You must complete 'Part A – Personal Details' for your representation to be accepted.

Representations cannot be treated as confidential and will be published on our Consultation Portal. Any representations that are considered libelous, racist, abusive or offensive will not be accepted. All representations made will only be attributed to your name. We will not publish any contact details, signatures or other sensitive information.

Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

Schedule of Potential Main Modifications	MM no.	MM14-19
Sustainability Appraisal	para(s)	
Habitat Regulations Assessment	para(s)	
Policies Map or other supporting documents	Please specify	

Question 2: Do you consider this **Main Modification and/or supporting document**:

Legally Compliant?

YES ☐

NO ☒

Sound?

YES ☐

NO ☒

Question 3: If you consider the **Main Modification and/or supporting document** unsound, please indicate which of the soundness test(s) does it fail (please mark all that apply):

Not positively prepared

Not justified

Not effective

Not consistent with national planning policy

Question 4: Please provide details of either:

- Why you consider the **Main Modification and/or supporting document** to be sound or legally compliant; or
- Why you consider the **Main Modification and/or supporting document** to be unsound or is not legally compliant.

After living in this area the whole of my life I am deeply concerned with the drainage & flood risks we already have in Blackmore without adding more housing.

In heavy rain we have flooding in Redrose Lane rendering it impassable, also Chelmsford Rd floods cutting off exits to Chelmsford and Ingatesome.

The w/d runs down Chelmsford Rd and when it "overtops" it's not just rain water but also sewerage being discharged onto the streets and endangering public health, residents of Blackmore mead and Chelmsford road have to wade through this when walking!

In storm conditions Church Street also floods (1987 & 2016) being the most notable where residents had to be rescued by boat.

Please continue on a separate sheet if necessary

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.

I cannot see that this can be modified
to prevent harm to village life,
land/ property and villagers!
