Comments

Please think very carefully, before considering using up our woodlands; more homes will attract more people from other Boroughs of London, which desperately wants to get rid of its overflows. Love Brentwood & preserve it for our next generation with great care. Failure to pay regard will prove costly for them.

?

Q13: What do you think the priorities for infrastructure spending should be?

Comments

People from far away Boroughs are known to be locating in Brentwood, in search of better HB Value; many have no current or previous connections with the town. This is a sad development. They bear no allegiance etc.

Thank you for taking the time to complete this questionnaire
