Policy DM23

Where is the provision for support services?

3500 dwellings will mean about 10,500 extra people.

There is already pressure on school places. Why sell the Training Centre in Essex
Way when it should revert to being a school?

How will local GPs cope? For example, there are plans for 1,500 homes (about 4,500
people) in West Horndon. This would require at least two GPs. Where are they to
work?
