

Clerk to the Council:

MR IEUAN R HARRIES

17th March 2015

Mr Mark Bedding
Senior Planning Manager
Crest Nicholson Eastern

Dear Mr Bedding

Land Adjacent to Mountnessing Primary School

I have been asked to advise you that MOUNTNESSING Parish Council, at a Parish Council meeting held on the 9th March 2015, reviewed the statement sent to you by the Chairman on the 12th February 2015. With the majority of members present it was agreed that the following statement should be sent to you

‘Even though this is only our initial evaluation it does seem clear that it will be some time, if at all, before your proposed development could be allowed under current legislation. With the majority of MOUNTNESSING Parish Council members present, at a meeting of the Parish Council held on the 9th March 2015, the view was that any development in the Green Belt or a Special Landscape Area would be undesirable and, if an application was made under the present planning rules, it would be opposed. Members also felt that their views would be supported by many local residents.’

The Parish Council will be seeking a retraction/clarification of the statement sent to you on the 12th February in the Local Plan/Growth Options Consultation.

A copy of this letter will be sent to Mr Philip Drane, Planning Policy Team Leader, at Brentwood Borough Council.

Yours Sincerely

I R Harries
Parish Clerk
