Please can the planning department move away from their policy to allow flats to built all over Brentwood. Brentwood is a family town and we need family housing. Planners should be guiding developers and encouraging them to build family homes. The station area development is very much a ghetto with a transient population. The Sawyers Grove development is an excellent example of a great scheme.

We would favour this type of development for the Wates Way redevelopment – rather than flats. The central area of Brentwood is already extremely congested at peak times.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to **planning.policy@brentwood.gov.uk**
