I do not know the areas of West Horndon and Duntun Hills so cannot comment on these.

Of the other proposed sites, I would suggest that only Worley Training Centre, the Council Depot and Ingatestone Garden Centre are acceptable. All of the other sites would result in traffic congestion. Many roads in the borough are already clogged with traffic.

Why build more homes? The more you build the more it encourages people to move into the borough. Our essential services such as Doctors are already stretched.

It is proposed to reduce the fire service. More homes would put added pressure on a reduced fire service.
