Comments (please use additional sheet if required):

- ① I object to the number of houses proposed for the Garden Centre site as these will inevitably be for families but the current schools in the area are at capacity and so is the doctors surgery. Also the parking situation is critical in the village.
- ② I also object to this area being used by council works traffic etc. as this will have a disastrous effect on our village of Ingateside. The current level of traffic through the village is high and with any new houses will only get worse with nowhere to park.
