Comments (please use additional sheet if required):

1. The closure of Ingatestone Garden Centre is a sad loss. The Council should refuse change of use & encourage a new garden centre operator to take over the site.
2. Regarding the other Ingatestone developments, we support the choice of brown field sites
3. We will not support any development on green belt land; the Government needs to learn to manage national population so that this is not necessary. We have written to Eric Pickles re. this issue.

Thank you for bringing your display to Ingatestone. We much appreciated the helpful & friendly approach of the Planning Policy Team staff.
