I object to Brentwood Councilors recommending the proposed LDP. For the following reasons

1. We don't have to build 5-6,000 houses on greenbelt and recent rulings reflect this
2. Brentwood cannot fulfill any alleged housing targets due to greenbelt constraints which are a material restriction as demonstrated in recent planning cases and, in January 2016, by Castle Point Council
3. 80% of Brentwood's growth, to 2033, is estimated to be from people moving into Brentwood Borough
3. Brentwood's Metropolitan greenbelt acts as a green lung to neighbouring London
4. London is a low density city able to withstand further growth
