Local Development Plan proposals by Brentwood Borough Council

Dear Sir/ Madam.

Further to the above and the recent 'drop in' event at Tipps Cross Remembrance Hall which was very informative. I write in support of the LPD proposals,

It was noted that there are no intentions to vary green belt boundaries, this is reassuring.

It is also noted that there may be a time in certain areas of the parish that it will be necessary for some development to be carried out and that it should not affect the surrounding areas.

Thank you for everything that has been done on our behalf, by the Borough.

Yours truly.

Paula and Thomas Lennon.
