I support the strategy that is being proposed because I strongly believe any new development should be built near where there is good existing infrastructure (roads, transport, services, etc) or where new infrastructure could easily and cost effectively be built.

I believe our green belt around all existing villages should be protected otherwise our countryside will be lost forever and we will end up with no rural space at all between villages. Villages such as Blackmore have existed for hundreds of years and would be completely spoilt if over developed.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to **planning.policy@brentwood.gov.uk**
