CEG support the aim of the Council to bring forward land as quickly as possible to meet housing needs swiftly in line with national policy and guidance.

The detail contained in Appendix 2 of the expected rate at which new homes will be provided, particularly in relation to Dunton Garden Village is supported. CEG believe that there is a realistic prospect of delivering new homes on the site within the first five years of the plan period.

The requirement of policy 7.1 to produce a Masterplan to form part of the Brentwood Local Development Plan is an important element of early delivery. The preparation of a Masterplan and early submission of an application for outline planning permission during the Local Plan preparation process will enable the Promoter, the Council and relevant stakeholders to progress quickly sufficient detail of the scheme.
