CEG supports policy 9.1 and its aims to safeguard the diversity and local distinctiveness of the Borough, including its varied landscapes, heritage, biodiversity and habitats. CEG are also supportive of the aim that development should foster a sense of place and local identity and respect, and where possible, enhance the character of the area.

The allocation of Dunton Hills Garden Village affords a unique opportunity to achieve these aims. The early evidence prepared by the Promoters illustrates how the site can successfully deliver these aims.
