Comments (please use additional sheet if required):

It is pleasing to read throughout the report the Council's commitment to No Green Belt but there are too many holes but by limited development, including infilling, will take place in other villages, other than small scale development to meet identified needs very little development is expected.

More worrying is the Policy CP10 Green Belt. - The following settlements are excluded from the Green Belt - Blackmore, Brentwood, Didsleyhurst etc.

(I am not sure what this means?)

It is also worrying in Policy DM11 New Developments in the Green Belt the very special circumstances can be interpreted in many ways and the 5 proposals in which these interpretations can take place are very broad!
