I believe Priests Lane is already too congested carrying far too many 'Through' cars. Parts already need double yellow lining ie the last 200 yards approaching Friars Ave from Brentwood.

If the development was to proceed a possible solution(s) would be to:

a) make Priests Lane One Way, running from Brentwood to Shenfield

b) Put an emergency vehicle only gate across Priests Lane somewhere between Sheffield Crescent and Bishops Walk

Either of these options would drastically reduce the current through traffic and make the proposed development more acceptable & safe.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to planning.policy@brentwood.gov.uk
