Brentwood County Council
Planning Policy

16th February 2018

Dear ,

Honeypot Lane proposed housing development site no. 022

I refer to the above and write on behalf of the members of South Hill Residents Association Limited (SHRAL)

I refer to my letter to you dated 26th February 2016 a copy of which is attached for ease of reference. The circumstances for the maintenance and up keep of our estate and roads is unchanged from this letter.

The dominant issue for SHRAL concerning this proposed 250 housing development site is the probability that our private roads will be used as an access to London Road. Would you kindly inform SHRAL how you would prevent this abuse.

If you fail to protect our private roads from this abuse we will have no other option than to seek the closure of Hill Road to prevent vehicles using this as a cut through to the London Road via South Weald Road and Hillside Walk.

Yours faithfully

Joseph Carr
For and on behalf of The South Hill Residents Association Limited.

Copied to members of The South Hill Residents Association Limited:
1 to 27 (odd numbers) and 2 to 32 (even numbers) Hillside Walk
2 Belvedere Road
3 to 13 and 19 to 29 (odd numbers) and 2 to 26 (even numbers) South Weald Road
3 to 11 (odd numbers) and 2 to 20 (even numbers) Hill Road
47, 51 and 81 London Road.
