Comments (please use additional sheet if required):

As someone who was born in Brentwood, nearly 70 years ago, and cares about Brentwood, it is time to stop anymore major building projects. If you have to build so many new homes, then build them away from the town centre.

The roads coming into Brentwood are gridlocked now and can not cope with all the traffic, especially if there is an accident on the A.12 or the M.25.

The schools and doctor's surgeries are unable to cope now. You have to wait 4 weeks for an appointment to see a doctor, when just a few years ago, it was only 3-4 days.

Finally, the sewer drains were built in the Victorian times, and were never made to cope with all the houses that have been built since.

So please Brentwood Borough Council, if you must build so many new homes, build them away from the town, with new roads, schools and doctor's surgeries and help take some of the traffic away from the town centre.

Thank you.

W. T. Jones.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to [planning.policy@brentwood.gov.uk](mailto:planning.policy@brentwood.gov.uk)
