Comments (please use additional sheet if required):

Chelmsford Road at the moment can not cope with the traffic in the mornings and afternoons so more properties will generate more traffic which the area cannot deal with. The roads Oliver Road & Alexander Lane are 'cut throughs' at the moment so more traffic will cause mayhem, we also have speeding traffic through built up areas so a serious accident will happen especially by Shenfield School.

The surgeries & doctors plus schools are not coping with the demands at the moment so how does more houses/people help the inter structure of the area.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to planning.policy@brentwood.gov.uk
