1. General - for a non-professional person, the document is full of acronyms and hard to understand
2. There is no glossary of terms (eg. C2 facilities, P2 Employment site)
3. Generally, I support the Plan, with few observations/provisions:
 - site 128 - I object, unless it will be used to expand/provide facilities for Endeavour School and/or Regarth Primary School
 - site 102 - Master Plan should include common/community spaces, not just dwellings, shops and car park
 - site 037, should be revised, to preserve the LWS / plan around it
