I object to this planning application because it is unsafe! The site is inappropriate it is at the back of our garden. My objection is our garden floods every time we have a period of rain. We are told nothing can be done as the drainage etc is so very old. Drains in the road at the front in Priests have regular overflows creating plains of water. This afternoon at 3.45, the traffic trying to exit the top of Priests (and was queuing down to Glanths Road), all because of excessive traffic from Brentwood school. Every morning it is the same or worse with cars mounding the pavements trying to turn round. With more housing this will only become worse. It is unsafe walking along Priest. have the traffic when allowed drives to fast and almost touches you. The road is narrow and only one footpath one side of the road. With more people
