Comments (please use additional sheet if required):

This site is the only greenfield site in the plan.

It will increase the amount of traffic significantly on surrounding roads especially at peak times. Both Shenfield's & Brentwood's traffic congestion is at ~~its~~ maximum in places & in the case of at the top of Priests Lane / Middleton Hall Lane it is beyond maximum at peak times!

The addition of 95 houses will mean the possibility of at least another 200 vehicles in the area.

Local schools & surgeries are already pushed to cope with the numbers they have, how will they cope with the additional demand.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to [planning.policy@brentwood.gov.uk](mailto:planning.policy@brentwood.gov.uk)
