I realise Brentwood Borough Council has an obligation to build/supply many more residential properties, but I am not in agreement with some of the locations, i.e.:

- 1) The William Hunter Way Car Park Site. If this ceases to be kept as a car park, it would excessively restrict parking places in the centre of town, which would severely affect retail trade of the High Street & curtail parking for staff working in the shops.
- 2) The Water Way site - This was at one time considered as the site for an alternative supermarket, which I think is badly needed for healthy competition in the town.

In addition, may I suggest the old Post Office building in the High Street could be converted into living accommodation, rather than remaining empty & rapidly deteriorating as at present.

Thank you for taking the time to respond. Please return forms to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed forms and email to planning.policy@brentwood.gov.uk
