- Green Belt land should not be used as building ground.
- Red Rose Lane is prone to flooding and is far too narrow for the access to a housing estate.
- The parking in the village is diabolical already - Blackmore is a lovely village which already has alot of visitors. Lack of parking already affects the economy you are destroying our lovely village and affecting our economy detrimentally.
- Doctors surgery is not coping with the people it serves now. We have to wait a long time for an appointment now which will only get worse - very infuriating!
- The school is already full with a long waiting list and will not cope with a large influx of children!
- The ground has insufficient grounds to extend and this then affects all the children who currently go to the school.
- The services currently in Blackmore will not cope with the number of families coming if all the houses are built.
