How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as ‘soundness’), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council’s website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. Sound?

YES

☐

NO

☒

Legally Compliant?

YES

☐

NO

☐

Compliant with the Duty to Cooperate?

YES

☐

NO

☐

Question 4: If you consider the Local Plan unsound, please indicate your reasons below (please tick all that apply):

The Local Plan has not been positively prepared

☒

The Local Plan is not justified

☒

The Local Plan is not effective

☒

The Local Plan is not consistent with national planning policy

☒

Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

I consider the Local Plan to be unsound because:-

1. There is no clear 'strategy' for the Villages, including Blackmore, in the north of the Borough
2. BBC has not consulted adequately with neighbouring authorities, e.g. Epping Forest District Council (and the construction of c.30 dwellings at the top of Fingrith Hall Lane, and its impact on the Village)
3. The principle of residential development off of Red Rose Lane is wrong – Blackmore is an isolated village with modest services and infrastructure.
4. There are other more suitable (and / or sustainable) locations – e.g. urban extension to Brentwood – and so the locations in Blackmore do not promote sustainable development
5. BBC has not demonstrated that there are other brownfield sites that are available and which should take priority over the greenfield (and Green Belt) land off of Red Rose Lane
6. BBC has failed to demonstrate that the required housing could not be met by increasing housing density on other (allocated) sites
7. There has been no 'Housing Needs Survey' to demonstrate why Blackmore is included in the LDP
8. The access off/from Red Rose Lane is entirely unsuitable for this volume of traffic movements
9. The proposed sites are liable to flood, and building on this land will also increase the flood risk elsewhere in a village that can be prone to severe flooding.
10. The local services including Doctors surgery waiting times, limited parking and local schools are already struggling to meet the demands of the existing Blackmore Population. Increasing this would be adding to this problem.
11. The impact on local wildlife e.g. adders, slowworms, grass snakes, great crested newts, voles and a variety of birds.

Please continue on a separate sheet if necessary

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

No modification would address my concerns. The only plausible form of action is to stop the current Local Plan and protect the modest green belt that is left in Blackmore. More suitable sites should have and could have been identified.

Please continue on a separate sheet if necessary

Question 7: If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the Examination in Public (EiP)?

NO, I do not wish to participate in the oral part of the EiP

☒

YES, I wish to participate in the oral part of the EiP

☐

Question 8: If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

Please continue on a separate sheet if necessary.

Please note that the Inspector (not the Council) will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
