How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as ‘soundness’), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council’s website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. ☒

The Local Plan is not justified

Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

Policy R19: Land at Priest's Lane, Shenfield. (Unsound).

The land off Bishop Walk (Site 178) was submitted for stand-alone residential development in the emerging Local Plan. It rapidly became evident that the Council wished to combine this small site with the very much larger site off Priests' Lane (Site 044). The two sites are in entirely separate ownership.

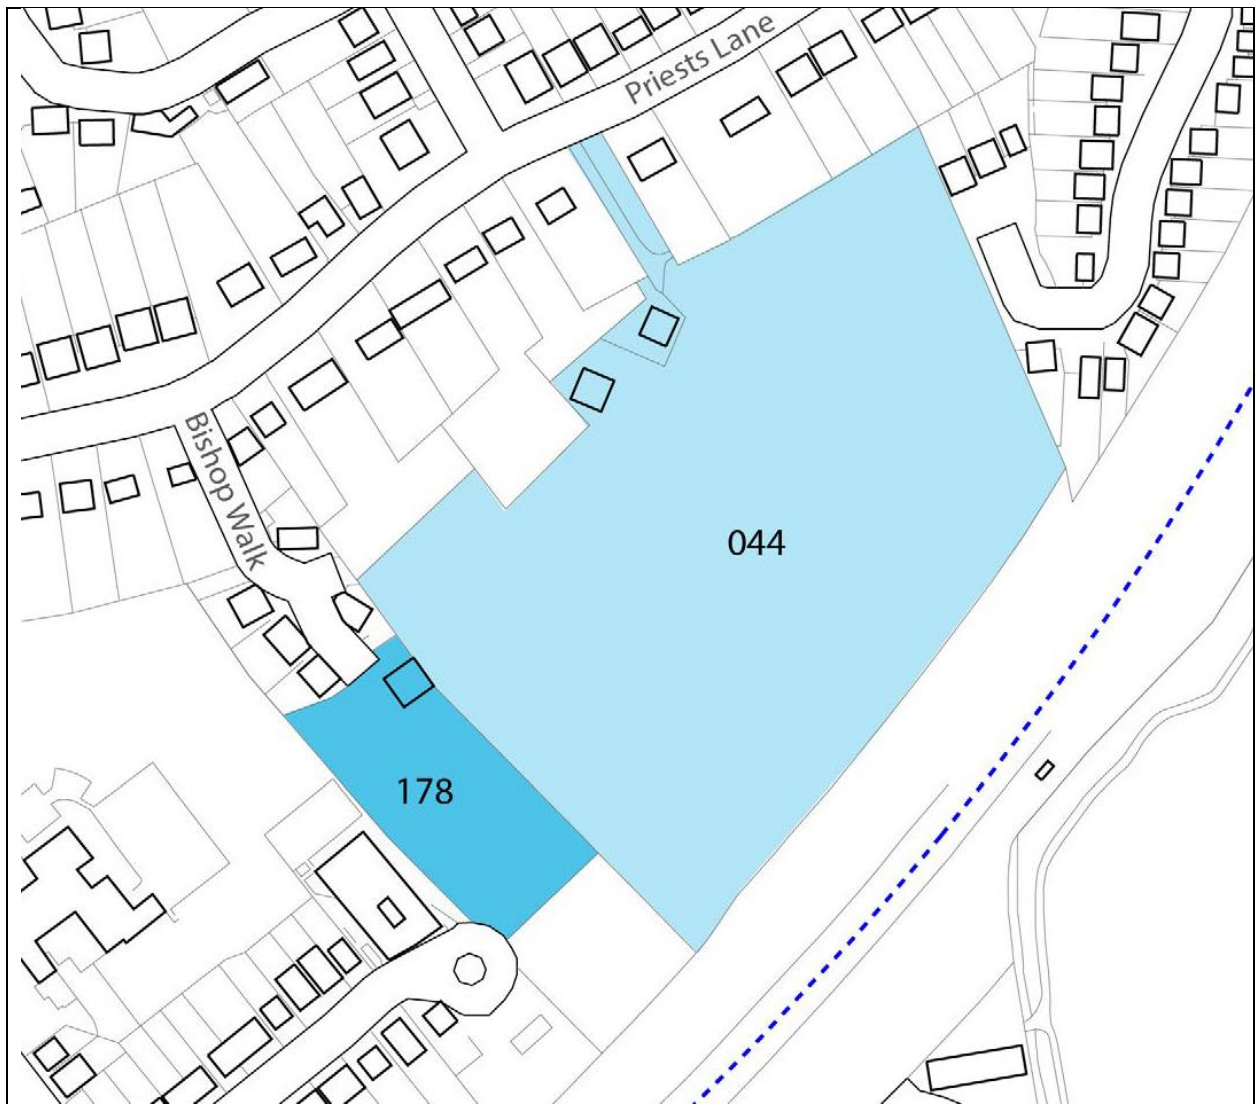

The Council was informed by correspondence and in conversation that Site 178 should be considered separately and that there was no agreement to merge the two sites. Subsequently, this was again raised in my Preferred Site Allocations Representation ID 18360.

Unfortunately, the Council has continued to treat the two sites as one entity, with the consequence that site 178 has been blighted by the demerits of the much larger Site 044, and encumbered by restrictive planning requirements.

Furthermore, the public has been misinformed and I have not had the opportunity to correct falsehoods in the public domain. For example, Site 178 is accessed directly off Bishop Walk, an established residential road that already has a compliant Priests' Lane junction. Again, the site has never been playing fields, there has never been public access and it has already been built on.

All the Council's evidence and proposals in paragraphs 9.171 to 9.176 currently relate to the merging of the two sites and are thus flawed.

Please refer to Site Plan on following page:-

Plan to show Site Ref 178 – Land off Bishop Walk

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

The two sites should be considered separately and the Council should allocate Site 178 for a small residential development without the inappropriate restrictions related to the larger Site 044.

Reason:

This modification would make the Local Plan sound with respect to my site.

Please continue on a separate sheet if necessary

Question 7: If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the Examination in Public (EiP)?

NO, I do not wish to participate in the oral part of the EiP

☐

YES, I wish to participate in the oral part of the EiP

☒

Question 8: If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

I have had first-hand knowledge of Site 178 for over 50 years and am seeking a modification that I believe to be totally justified.

Please continue on a separate sheet if necessary.

Please note that the Inspector (not the Council) will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
