Residential Site Allocations within Green Belt Brentwood Local Plan Pre-Submission Document February 2019

Protected Lane

Permanent Boundaries

Notes:

The plan shows land at Calcott Hall Farm released from the green belt with new strong, defensible boundary provided by Sandpit Lane, Weald Road and a robust edge of mature woodland and tree cover. Significant, planted landscape buffers within the Calcott Hall Farm site would reinforce this existing edge.

Further areas of land are shown as removed from the green belt where they are proposed for allocation within the Brentwood Local Plan Pre-Submission Document.
