How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as ‘soundness’), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council’s website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. For additional information on what the difference is between a Regulation 18 and Regulation 19 Local Plan consultation, please view the FAQ's published on-line www.brentwood.gov.uk/localplan

The Local Plan has not been positively prepared

The Local Plan is not justified

The Local Plan is not effective

The Local Plan is not consistent with national planning policy

Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

We believe this policy is basically sound in expecting some community return for the release of land from the Green Belt, and the creation of defensible boundaries for the longer term beyond the Plan period.

We note the type of community benefits being sought as set out in paragraph 8.114. We have been promoting our client's site at Crow Green Lane, Pilgrims Hatch and have consistently included in our proposals provision for a community facility. The type of facility provided would be determined in consultation with the local community.

Paragraph 8.115 mentions a need for smaller units to provide an option to older people wanting to downsize. Again we have consistently included provision within our proposals to meet exactly this particular housing need.

Policy NE13 calls for proposals on Green Belt allocations to establish long term defensible boundaries. Again we have consistently explained how good defensible boundaries can be established around our client's land.

Please continue on a separate sheet if necessary

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

We support the Policy as worded.

Please continue on a separate sheet if necessary

Question 7: If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the Examination in Public (EiP)?

NO, I do not wish to participate in the oral part of the EiP

YES, I wish to participate in the oral part of the EiP

Question 8: If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

Please continue on a separate sheet if necessary.

Please note that the Inspector (not the Council) will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
