How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as ‘soundness’), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council’s website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. For additional information on what the difference is between a Regulation 18 and Regulation 19 Local Plan consultation, please view the FAQ's published on-line www.brentwood.gov.uk/localplan

Sound?

YES

NO

Legally Compliant?

YES

NO

Compliant with the Duty to Cooperate?

YES

NO

Question 4: If you consider the Local Plan unsound, please indicate your reasons below (please tick all that apply):

The Local Plan has not been positively prepared

The Local Plan is not justified

The Local Plan is not effective

The Local Plan is not consistent with national planning policy

Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

Housing Delivery

The Plan proposes that as *'the high proportion of designated Green Belt within the Borough makes it extremely difficult to achieve a five year supply'* (Paragraph 4.19), a greater proportion of the required homes are forecast to be delivered in the period beyond 2023. Policy SP02 therefore sets out a stepped trajectory of delivery of 310 homes per annum to 2023, followed by a higher target of 584 per year to 2033.

We do not believe that Policy SP02 is sound because it does not provide an appropriate strategy to comply with the requirements of the NPPF, which states in paragraph 23 that:

'Strategic policies should provide a clear strategy for bringing sufficient land forward, and at a sufficient rate, to address objectively assessed needs over the plan period, in line with the presumption in favour of sustainable development.'

The strategy does not result in the delivery of housing throughout the Plan period. Paragraph 73 of the NPPF requires strategic policies to include a trajectory illustrating the expected rate of housing delivery over the Plan period. Appendix 1 of the Plan sets out this housing trajectory, which demonstrates that no units will be delivered in 2019/2020 from the site allocations, and only 66 units are proposed to be delivered in 2020/2021, with 318 in 2021/2022 and 632 in 2023/2024.

We question whether this is an appropriate strategy, and believe that on this basis, Policy SP02 is unsound because it is not justified.

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

The Plan should be amended to allocate a number of additional smaller and medium sized sites, as required by paragraph 68 of the NPPF, which will ensure provision of a

five year housing supply, to enable continued delivery of homes throughout the Plan period.

Please continue on a separate sheet if necessary

Question 7: If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the Examination in Public (EiP)?

NO, I do not wish to participate in the oral part of the EiP

YES, I wish to participate in the oral part of the EiP

Question 8: If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

To set out the case that the Plan should allocate additional, smaller sites, to enable the Plan to deliver homes throughout the Plan period.

Please continue on a separate sheet if necessary.

Please note that the Inspector (not the Council) will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
