COMMENT FORM

Alternatively, please use this form to share your views on the contents of the document.

All responses should be received by 5PM Tuesday 19 March 2019.

Please return forms either by attaching completed forms by email to planning.policy@brentwood.gov.uk or alternatively by post to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY.

How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as 'soundness'), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council's website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. For additional information on what the difference is between a Regulation 18 and Regulation 19 Local Plan consultation, please view the FAQ's published on-line www.brentwood.gov.uk/localplan

By submitting this form, you are agreeing to the above conditions.

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

- * Road network to be improved - including road widening from A414 to the village. Suitable drainage, Speed restrictions etc.
- * Increased NHS facility as it's impossible to get a Doctors appointment at ~~Deal~~ Tree Health Centre.
- * Development of local school facility to cope with an increase of 100 families in the area.
- * The current local shop/post office is inadequate in size to cope and will need to increase.
- * Increase in public transport.
- * Flood improvements & preventative measures to be put in place.
- * Increase parking facilities (nightmare as it is already!)

Please continue on a separate sheet if necessary

Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

Building on land liable to flood and increase the chance of drainage issues all around the village including farm land & local residents properties.

Building the amount of houses currently suggested should be reduced to less than 30 to allow the community to cope. There's already too many residents for the facilities we currently have.

Other more suitable locations should be considered closer to Blenheim and the recent development by EFOC is on the same road. Traffic will be a nightmare as Blackmore is already used as a cut through.

- no housing needs survey.

- Red rose lane unsuitable for heavy traffic.
