#### How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as ‘soundness’), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council’s website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live

document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.
