- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council's website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. document and will be updated prior to being submitted to the Secretary of State.

- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.
