How to complete the representation form:

This form consists of two sections – Section A: Personal Information, and Section B: Your Representation. Please note that your representation cannot be accepted without completing information identified in Section A.

The Local Plan Pre-Submission (Regulation 19) consultation consists of more formal and technical questions focused on the four Tests of Soundness and whether the Local Plan is compliant with relevant legislation. Comments are to be focused on three core areas – is the Plan positively prepared (referred to as 'soundness'), does the Council adhere to the Duty to Cooperate, and is the Plan legally compliant (addressed by question 3 of this comment form). These terms are defined below:

- a) **Soundness:** Local Planning Authorities must prepare a Local Plan based on relevant and appropriate evidence base. They are required to publish these documents on their website. The evidence used to develop the Brentwood Local Plan can be found on the Council's website under Evidence Base.
- b) **Duty to Cooperate:** Throughout the plan-making process discussions have taken place with various statutory consultees and neighbouring authorities. A summary of these meetings can be found within the Duty to Cooperate Statement, published as part of the Regulation 19 consultation. This is a live document and will be updated prior to being submitted to the Secretary of State.
- c) **Legally Compliant:** Local Planning Authorities must prepare a Local Plan which adheres to the requirements as set out in the National Planning Policy

Framework (NPPF), planning practice guidance, and other relevant planning regulations & legislation.

Question 4 of this comment form asks for further information on your opinion of the Plans 'soundness'. According to the National Planning Policy Framework (NPPF) para 35, Local Plans are examined to assess whether they have been prepared in accordance with legal and procedural requirements and whether they are sound. Plans are 'sound' if they are:

- a) **Positively prepared** – providing a strategy which as a minimum seeks to meet the area's objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and consistent with achieving sustainable development
- b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;
- c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- d) **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF.

Please keep in mind the information provided above to assist with correctly completing your comment form. For additional information on what the difference is between a Regulation 18 and Regulation 19 Local Plan consultation, please view the FAQ's published on-line www.brentwood.gov.uk/localplan

There is no clear strategy for the Villages .Including Blackmore

No account has been taken of the c.30 dwellings at the top end of Fingrith Hall Lane. Blackmore and the impact these will have locally.

Blackmore is an isolated village within the Green Belt, with very poor local services. No Library, very poor bus service, congested village lanes, severe parking problems at peak times, long delays 5/4 weeks for the local Deal Tree Health center in Doddinghurst. Current primary school in need of development for any additional pupil intake.

BBC has not shown that other brownfield sites are available

BBC has not shown that increased housing developments could be achieved by increasing housing density on other allocated sites.

No Housing needs survey has been undertaken to show why Blackmore is included in the LDP

Local lanes are at capacity during peak travel times and the additional vehicle use of access to and from the site from Red Rose Lane opposite the Village Primary School will present significant traffic problems.

There is inadequate provision for waste water removal in Blackmore.

No report on these two sites in Blackmore have taken into account the biodiversity of impact on the local wildlife using these two greenfield sites which have not been in productive arable use for the last 20 years at least, and therefore are vital corridors for wildlife

Any development on these two greenfield sites will seriously affect the following bird species on the Birds of Conservation and Concern 4 (BOCC4) endangered listings.

Red List .

Starling, Song Thrush, House Sparrow, Tree Sparrow, Linnet, Twite, Yellowhammer.

And on the BOCC4 Amber List. Dunnock, Bullfinch.

All the above endangered species can be seen in and around these sites.

Please continue on a separate sheet if necessary

Question 6: Please set out what modification(s) you consider necessary to make the Local Plan sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this modification will make the Local Plan sound or legally compliant. Please be as accurate as possible.

Brownfield sites must be explored within BBC, to preserve our Greenfield/Green Belt areas.

This will take pressure from small village lanes, ensuring any developments should be adjacent to main transport arter

Please continue on a separate sheet if necessary

Question 7: If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the Examination in Public (EiP)?

NO, I do not wish to participate in the oral part of the EiP

☒

YES, I wish to participate in the oral part of the EiP

☐

Question 8: If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

Please continue on a separate sheet if necessary.

Please note that the Inspector (not the Council) will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
