Question 5: Please provide details of either:

- Why you consider the Plan to be sound, legally compliant, or adheres to the Duty to Cooperate; or
- Why you consider that the Local Plan is unsound, is not legally compliant, or fails to comply with the Duty to Cooperate

This plan fails to comply with a duty to cooperate Brentwood Borough Council (BBC), has not carried out any feasibility study on the area, This is their usual practice, hence the Public are left with their mess, all requests for help when it all goes wrong fall on dealers

All of Brentwood should have been informed by now, just those affected by the site in question. This affects everyone in the Borough, not all residents have a computer. Although all residents pay Council Tax they are treated with disrespect. This plan fails all Brentwood. BBC has failed to include in our case Eppu, and Ongar Council some of whose residents use an Doctors, School Basildon on our other Boundary, will have to deal with the new Garden Town so close to our Border they are not happy they had complained that they were not consulted about such a large development on their boundary. Our plan was never discussed at the vote they used cut off time as an excuse to vote it through, with no discussion that to me is disgusting and illegal we are not talking about a conservation this is devastation of our village on a large scale, plus the likelihood of more fields being swallowed up.
