Blackmore is a distant village far from towns & stations, it has poor roads. It does not meet the aims of BBC or government. Public transport is poor, every household needs a car and has to drive everywhere. This results in high car use, so more carbon in the air, which does not comply with BBC or government guidelines.

mms

How has Blackmore been classed as a class 3 village, ~~as~~; Under government guidelines should be class 4.

mm78

Blackmore has a long history of flooding and is on red zone with government and Insurers. Removing 2 large fields will make it worse.

Please continue on a separate sheet if necessary

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.
