

Section B: Your Representation

Please complete a separate sheet for each representation that you wish to make. You must complete 'Part A – Personal Details' for your representation to be accepted.

Representations cannot be treated as confidential and will be published on our Consultation Portal. Any representations that are considered libelous, racist, abusive or offensive will not be accepted. All representations made will only be attributed to your name. We will not publish any contact details, signatures or other sensitive information.

Full Name

FLEUR MORGAN

Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

Schedule of Potential Main Modifications	MM no.	1, 2, 5, 78, 81, 107, 108
Sustainability Appraisal	para(s)	Page 5 and paragraphs 2.6 + 2.8.1
Habitat Regulations Assessment	para(s)	
Policies Map or other supporting documents	Please specify	Annex 2

Question 2: Do you consider this **Main Modification and/or supporting document**:

Legally Compliant?

YES

☐

NO

☐

Sound?

YES

☐

NO

☒

Question 3: If you consider the **Main Modification and/or supporting document** unsound, please indicate which of the soundness test(s) does it fail (please mark all that apply):

Not positively prepared

☒

Not justified

☒

Not effective

☒

Not consistent with national planning policy

☒

Question 4: Please provide details of either:

- Why you consider the **Main Modification and/or supporting document** to be sound or legally compliant; or
- Why you consider the **Main Modification and/or supporting document** to be unsound or is not legally compliant.

mm1/mm2

Blackmore village is a rural village with poor travel networks and along way from local towns with ~~two~~ health, ~~secondary~~ schools and other amenities. The big supermarkets, garages and other shops are along distance away. Blackmore is also not on main roads, ~~or~~ near train stations, has pavements to walk or a good cycle path (off road) or bus service. Most people rely on the car. In the village centre and at the start of Tencho Place it is very congested with people parking for the Coop, pubs and Tea Rooms (MMS). It is extremely dangerous to drivers ~~against~~ and pedestrians. The village is really a class 4, not class 3, as ~~as~~ ~~at~~ ~~Doddington~~ is losing 2 large fields will mean loss of wildlife, including foxes, voles, badgers and hedgehogs. Flooding remains a major problem that continues to

impact Red Rose Lane and the pond. All works carried out to date have failed. ~~I~~ believe there are brownfield sites (MMS1) that are better suited. The exceptional circumstances test was carried out with no consultation.
mm107/108
Initially, the houses to be built was decreased to 50 from 70 when Blackmore

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.

residents were listened to. Why has the Inspector now increased back to ~~to~~ 70 ignoring the public response to LDP. (mm10 108)
I love where I live and the want it to remain a unique and special place to live.
I want it to be safe to all and not be a town. (mm78)
The flood a sewage risks are huge. Please listen to the information and build where you have the infrastructure.
