

Section B: Your Representation

Please complete a separate sheet for each representation that you wish to make. You must complete 'Part A – Personal Details' for your representation to be accepted.

Representations cannot be treated as confidential and will be published on our Consultation Portal. Any representations that are considered libelous, racist, abusive or offensive will not be accepted. All representations made will only be attributed to your name. We will not publish any contact details, signatures or other sensitive information.

Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

Question 4: Please provide details of either:

- Why you consider the **Main Modification and/or supporting document** to be sound or legally compliant; or
- Why you consider the **Main Modification and/or supporting document** to be unsound or is not legally compliant.

POLICY MG05: DEVELOPER CONTRIBUTIONS

We would request the Inspector reviews the Main Modification to ensure funding via s106 or CIL is included for health services to meet population requirements should include all health providers such as emergency ambulance services, patient transport, acute, community and mental health, in addition to primary care (this includes GPs, dental, community pharmacy, optometry especially early years/child sight screening) as they are all impacted by population growth.

New developments should contribute towards provision of new facilities, refurbishment/ expansion of existing facilities or digital solutions and other improvements to healthcare services.

Multiple developments of less than 50 units impacts as much on healthcare services in the same way as single large developments and consideration is requested that a mechanism for funding via developments of less than 50 units is developed and made available to healthcare services and providers.

Please continue on a separate sheet if necessary

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.
