Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

Blackmore has been classified as a Category 3 village incorrectly. A proper assessment will ~~be~~ prove that it is smaller, more remote & with less facilities than the other Category 3's. It should be Category 4 and that would highlight even more how disproportionate the Housing Allocation is. Blackmore with no local plan has 70 allocated. A True 4, Doddington has a local plan & has 0 allocated. The rest of the northern villages combined with 8 times the population have 0 houses!!

with more
than 3 times
the
population

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.

Reallocate Blackmore correctly as a 4 +
revise the allocation of houses. This
should be driven by a Local Plan for the
Worthern Villages (Missing at present)
