Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

mm1/mm2 Blackmore has poor bus service, poor road links. Have to go by car everywhere. BBC & government are supposed to be reducing unnecessary car journeys. Should not build at Blackmore.

mm5

Blackmore cannot be aligned with mountnensing etc. This is a far bigger village with shops & better road.

mm78

Blackmore has flood & sewage issues. Sewage is pumped into water system. Can't remove 2 green fields as it will make it worse.

mm81

No evidendence evidence that exceptional circumstances test was ever carried out by BBC as it does not meet strategic aims.

mm107 & 108

Houses were reduced by BBC from 70 to 50 due to high level concerns. For inspector to increase back to 70 ignores the point of asking for public response.

Please continue on a separate sheet if necessary

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.

mm1/mm2 Blackmore does not meet any of strategic targets/objectives of BBC so needs to be reviewed as to why this was selected.

mm5 Blackmore should not be aligned with villages such as Mountnessing etc. This needs to be reviewed & amended.

MM78 This issue has been ignored in the LDP, needs to be reviewed & Environmental Agency asked for their recommendations.

mm81 There is no evidence that exceptional circumstances test was carried out correctly by BBC to release Green Belt land for development. Needs to be reviewed.

MM107/108

Houses were reduced from 70 to 50 by BBC, only to be increased back to 70 by inspector. This should be reviewed.
