Question 1: Which **Main Modification and/or supporting document** does your representation relate to?

Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2

Any representations on a supporting document should clearly state which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

As Blackmore does not meet any of BBC strategic objectives, why was it selected unless it was because it ~~was~~ was put forward by developers.

Blackmore has poor bus service, poor infrastructure, you need 2 cars per household to commute/shop/hospital/social calls.

MM5

As above Blackmore is a small village 354 dwellings, it cannot be grouped with large villages such as Doddington, which have more facilities in terms of shops, plus better roads

MM78

Nobody has addressed the flooding problem or environment issues

MM51

Do not believe BBC fully investigated whether other Brownfield sites were available

Please continue on a separate sheet if necessary

Question 5: Please set out what change(s) you consider necessary to make the **Main Modification and/or supporting document** sound or legally compliant, having regard to the matters that you identified above.

You will need to say why this change will make the Submission Version of the Local Plan sound or legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as accurate as possible.

MM1/MM2

Evidence needs to be produced as to why Blackmore was chosen, BBC need to prove it was not just developer led.

Review requested

MM5

Blackmore does not meet rules for a large village, this decision needs to be reversed

MM78
