Representations on the Policies Map must be linked to specific modifications in that they reflect a change required as a result of a Main Modification.

Blackmore is a small village that is already quite congested with parked cars. Building more houses is only going to add to the congestion. Losing those two fields to houses also means losing the wildlife habitat.

MMS

Blackmore School is already oversubscribed, adding more houses will then mean our village school will need to grow. Taking the beauty away from it being a village school.

MM7 &

Flooding has always been an issue with Blackmore, removing two large fields will make the situation worse.
