O20 & O21 Sites could have houses, health and community facilities built. At East Horndon (A127) the night club site could have houses. The village is low lying. Flooding occurs across the farmers fields to Cadogan Avenue, Station Road, Horndon Avenue and to the Church. Railway: The trains are already full in the rush hour - only 2 trains stop per hour. Buses: More buses would be needed, only 3 travel to Brentwood at present but they immediately come back to West Horndon. The Metropolitan Green Belt lung should remain. There should be no building on farmers fields - we need to grow more food.
