Dear Mr. Drane,

**Re: Land fronting Warley Street, near Great Warley**

Following my letter of the 27<sup>th</sup> September, I have received a telephone call from my Client, Mrs. A Going, to the effect that the correct measurements of the old barn, as referred to in paragraph three, are 120 ft x 40 ft.

Mrs. Going has also sent me a copy of an aerial photograph of her land, which is enclosed.
