Comments (please use additional sheet if required):

I am objecting to the proposed plan regarding the Shenfield Park & Walk, the Lane is unlit no path way - it will be a case of tribs of people noise evening & morning rubbish dropped parkin's on the land next to Alexander House, which is for traffic turning. With door banging. This is a peaceful quite area and this will disrupt all that. Car's speed down the lane as it is. so there will extra volume of traffic dicing with death when we need to cross the road. as well as it all a nuisance.
