Comments (please use additional sheet if required):

We note that the Council expects all development to achieve a minimum of Code for Sustainable Homes Level 3. The Plan states that the Brentwood Scoping and Outline Water Cycle Study (2011) identifies the Borough as lying within an area of Serious Water Stress. Due to water pressures in the region we consider it is particularly important that water efficiency measures are incorporated into new developments.

Please return to Planning Policy Team, Brentwood Borough Council, Town Hall, Brentwood, Essex CM15 8AY, or alternatively attach completed form and email planning.policy@brentwood.gov.uk

Please note that all responses will be published online. More information can be found at www.brentwood.gov.uk/localplan
