MRS KATE DAVIES

13 FEB 2015

To The Planning Officer
For Local Planning in Blackmore
Village.

I was told to write in on my view
about the planning developing in Blackmore
Village, Redrose Lane and Woollards Way, and
second being other side of Fingwith Hall Road,
Linking with Orchard Piece. I would like to
say I am all for it, the development ~~should~~
go ahead, I know people that would like
to move into the village to be near there
family's where they have been brought up, and
my daughter has been waiting for 12 years
to move in to the village.

I know
many people in similar situation, so yes
I am for it,
Kate Davies
