Following a meeting with the leader of the Council, The Navestock Parish Council would like to put up a sports pavilion on the land next to the Navestock Village Hall to enhance the 12 acres of sports land surrounding it. (football and cricket pitches) It would, amongst other things, be for indoor cricket, netball, football training and would be available for the people of Navestock and the Borough as a whole. The Navestock Parish Council is well aware that funding for both Borough and Parish Councils will be progressively cut and it is hoped that the sports barn will bring in much needed income and relieve a burden on the Borough by letting the Parish Council become self sufficient. The pavilion would be some 120x60 foot approx. Please can you consider this for inclusion in the Local Dev. Plan. If you require any more info. please don't hesitate to contact me
Regards M Parrish, V.Chairman, Navestock Parish Council.
