Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes  No

**Comments**

Except Blackmore which I really know well (over 40 years)  
All the sites around Blackmore will increase the risk of FLOODING of property along the south of Blackmore Road, around the pond/green, and Church Street, Jericho Priory and St Laurence Church.  
CONSULT RECORDS FOR AUGUST 1987 - this was the worst episode affecting all those sites at once!

Q2: Do you agree with the issues raised within each of these areas?

Yes  No

**Comments**

So far as my knowledge goes

Q3: Do you have any comments on the appropriateness of particular sites? Yes  No

**Comments**

To minimise commuter/school journeys through narrow country lanes

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

**Comments**

Not enough knowledge of this

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes  No

**Comments**

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

**Comments**

Brownfield sites only if at all possible

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes  No

**Comments**

But village shops should be encouraged if they are at all sustainable economically
